EXTRACT WMFC RULES – CARDS & SANCTIONS

A – Yellow cards are accumulative. If a player incurs two yellow cards, he will be penalized and disqualified for the following match. Cards obtained during the qualifying stages are erased for the semi-final or group matches (match day 5). This is to give all players the opportunity to play on the final match day, although a red card still carries a ban in the following game.

B – If a player who has already obtained a yellow card in a previous match obtains 2 yellow cards, and consequently a red card in one match, the player will be sent off for the match, penalized in the next one, but keeps one yellow card in his record for the further matches.

C – Two yellow cards obtained in the same match will result in the player receiving a red card and being sent from the field of play. The player will be disqualified for the following match.

D – If a player receives a red card during a match, the player will be sent from the field of play. The player will be disqualified for the following match
